## At Trissels . . .

### So you want to go to Cana!

You are welcome to join us in a fresh study of what it means to be the body of Christ. The body of Christ is not an organization nor an emergent and not political. It is a Spirit filled organism. It is alive yet seems invisible at times. We will look at the Gospels and Epistles to see what we have missed in our modern applications. You will see how the spirit of the age is redefining the body of Christ and conditioning us right now. Together, we will see distortions from our unique American adaptations. Teacher: Lawrence R. Yoder

The second medical team prepared and sent by **Virginia Mennonite Missions** in collaboration with MCC is concluding their service in **Haiti**. These doctors, nurses and relief workers have been working in tent cities where medical needs have not been met in a timely way. They return to Virginia on Tuesday, February 16. The third medical team, led by Dr. Dennis Hatter from the Mt. View Mennonite Church, Stuarts Draft, leaves on Monday morning, February 15, to serve for 10 days. Pray for this medical team. When the third team returns to Virginia, we will re-evaluate what needs to be done and what kinds of resources and people are needed for further assistance in Haiti. No further teams for medical aid are being sent through VMM at this time. In the coming months, VMMissions is considering sending reconstruction teams if requested by the local Mennonite pastors in Haiti. Funds are still being received for the costs of the teams and medical supplies as well as future response. Please send your check to Virginia Mennonite Missions, 901 Parkwood Drive, Harrisonburg, VA 22802. For more information, contact Galen R. Lehman, Caribbean Regional Director at 540/434-9727 or [galen.lehman@vmmissions.org](mailto:galen.lehman@vmmissions.org)

## **Message notes...**

*"Love one another. As I have loved you, so you must love one another"* --Jesus in John 13:34

John 4:4-30, 39-42

Luke 19:1-10

Luke 5:1-11, Matthew 16:13-19

Jesus saw persons for what they could be, not what they were

Romantic love is likewise a kind of vision -- seeing beyond the beloved's flaws to something that is good

God created each person to be a creature of glory
